

**Danny Cipriani, 20**

ENGLAND AND WASPS

Named the Young Player of the Year in 2008, Cipriani has taken his time to get back from a serious injury to his right leg that meant he was encased in plaster for most of the summer. Widely regarded as one of the most important players for England in the build-up to the 2011 World Cup in New Zealand. Dropped for a game early in the year after going to a nightclub. Has become a target of the paparazzi after squiring actress Kelly Brook around town.
